Looking to kick the year off in style we have a speaker who can bring the kind of quality and subject matter that we like to see in Glasgow. Irene got in touch with me directly and has recently published her own book "Practitioner's guide to program management" and she has travelled all the way in from the US to be with us to talk to about her book and experiences in Program(me) Management.

Everyone is welcome to join us for some social networking in Rab Ha's which is very close to Clydesdale. Hope to see you on the evening,
